

Easter Cross Free Printable Craft

I hope you enjoy this simple, free printable craft. All you will need is a printer, a toilet roll tube, colouring in supplies, a pair of scissors and some sticky tape to make a simple 3D, free standing Easter cross decoration.

Print this page – it is already formatted as A4 to the correct size. Your little ones can colour and decorate the design, and carefully cut along the dotted lines.

Wrap the cut out around the tube and secure with sticky tape.

Finished!
